

CURRICULUM VITAE

Name: Patrícia Nóbrega Coito Garcia-Pereira

Date of birth: July 21th 1972

Civil status: Married

Nationality: Portuguese

Address: Rua dos Mercadores, 11, 7480-136 Avis

Mobil phone: 00351 919515693

Email: pnpereira@fc.ul.pt

Academic qualifications:

- 2003 *Cum Laude* PhD in Biology by the Universidad Autónoma de Madrid (Spain) with the thesis: "Butterflies of Continental Portugal: Diversity, Biogeography and Conservation"
- 2000 Frequency of the PhD Biology Program at the Universidad Autónoma de Madrid, Spain (32 credits)
- 1996 Degree in Biology from the University of Lisbon (Portugal); final average grade 15 (out of 20)

Affiliation:

- 2015/18 Post-doc researcher at the Centre for Ecology, Evolution and Environmental Change (cE3c) of the University of Lisbon with the project "Biodiversity Stations Network for the promotion of citizen science in Portugal"
- 2014/15 Coordinator of the Communication Office of the Centre for Ecology, Evolution and Environmental Change (cE3c) of the University of Lisbon
- 2009/14 Researcher at the National Museum of Natural History and Science (MUHNAC-University of Lisbon), in the aim of the *Ciência 2008* program (Science and Technology Foundation, Portugal)
- 2006/8 Researcher of Tagis – Portuguese Butterfly Conservation (Lisbon, Portugal)
- 1996 Biologist in the Environmental Department of Somincor (Castro Verde, Portugal)

Grants:

- 2015/19 Post-Doctoral Research FCT Grant (SFRH/BPD/112295/2015)
- 2014/15 Researcher at the Fundação da Faculdade de Ciências da Universidade de Lisboa
- 2002/3 Researcher of the project *European Biodiversity Assessment Tools* by the Universidade Nova de Lisboa

- 2002 Researcher at the Museo Nacional de Ciencias Naturales (Madrid) by the Foreign Scientific Museology Specialization Program (National Agency for Cultural and Technological Science)
- 1996/0 PhD student in the Universidade Autónoma de Madrid-UAM (National Agency for Cultural and Technological Science, Praxis XXI BD)
- 1995 Undergraduate research work in the Biology Department at the UAM (Erasmus)

Professional experience:

- 2018/20 Coordinator of insects conservation status evaluation in the aim of the Portuguese Invertebrates Red List project.
- 2016/17 Coordinator of insects monitoring in the *Bio Generation- Education and awareness for the preservation of Vale do Guadiana Biodiversity* project. Câmara Municipal de Mértola (POSEUR-03-2215-FC-000018)
- 2016/17 Coordinator of insects monitoring in the *School in Nature* project. Câmara Municipal de Viana do Castelo (POSEUR-03-2215-FC-000027)
- 2014/15 Coordinator of the *Communication Office* at cE3c – Centre for Ecology, Evolution and Environmental Change, Faculdade de Ciências da Universidade de Lisboa
- 2014 Curator of the exhibition *cE3c – Strategic programme 2015-2020*. FCUL, C2, 5th floor.
- 2013 Curator of the exhibition *The Sound of Heath* at Companhia das Lezírias (Portugal)
Coordinator of *Communication and Image Service* at MUHNAC-University of Lisbon
- 2012/14 Coordinator of the itinerancy of the exhibition *Insects in Order* integrated in the Ministério da Educação e Ciência programme *O Mundo na Escola* (National Agency for Cultural and Technological Science, CV/78-2012)
- 2012 Responsible for the exhibition's design of *Trapped in the Pond* (MUHNAC-University of Lisbon)
- 2011/14 Coordinator of Odonata monitoring of the project *ECOTONE – Management of riparian habitats towards the conservation of endangered invertebrates* (LIFE09 NAT/PT000073)
- 2011/13 Researcher of the project *Biodiversity, endemism and protected species in the Estrela Mountain range ponds and watercourses: valorisation of a century of hydroelectric exploration* (EDP Biodiversity Fund, 2011)
Coordinator of insects monitoring of the project *HIGRO – Demonstrative actions for the conservation of priority habitats in northern mountain areas in Portugal* (LIFE09 NAT/PT/000043)
Researcher of the project *On the Instruments' trail: exploring Royal Cabinets of Natural Philosophy in Portugal (18th-19th century)* (Science and Technology Foundation, PTDC/HIS-HCT/098970/2008)
- 2011 Staff member of the Organizing Committee of the *XI UMAC Annual Meeting 2011* at National Museum of Natural History and Science (21-25 September, Lisbon)
Coordinator of the program *11 + 1 – Biodiversity Routes*, integrated in the commemorations of the

- centenary of the University of Lisbon
- 2010/14 Coordinator of Tagis – Portuguese Butterfly Conservation participation on the project *Protect through Knowledge* (QREN Norte-09-0230-FEDER-000077)
- 2010/12 Coordinator of the *Butterfly Monitoring Program* at Montejunto Biodiversity Station
Coordinator of the *Butterfly Monitoring Program* at Ribeira de Alportel Biodiversity Station
Coordinator of the *Butterfly Monitoring Program* at Santa Combinha Biodiversity Station
- 2010 Curator of the exhibition *Insects in Order* (MUHNAC-University of Lisbon)
Curator assistant of the exhibition *Lynxes, Wolves and Royal Eagles* (MUHNAC-University of Lisbon)
Member of the Organizing Committee of *Bioevents 2010* - Biodiversity International Year Commemorative Programme (MUHNAC-University of Lisbon and Centre for Environmental Biology – University of Lisbon)
- 2009/ Coordinator of *Biodiversity Stations Network*
- 2009/14 Curator assistant of Lepidoptera collection of the MUHNAC-University of Lisbon
- 2009/10 Coordinator of Nature 2000 Biodiversity Stations (Portuguese Environmental Agency, ref. 122/09)
- 2008/9 Coordinator of *Abrantes Butterfly Garden* project
- 2008 Producer and Co-director of the scientific documentary *The Flower, the Ant and the Threatened butterfly*
- 2007/8 Coordinator of the website www.borboletasatravesdotempo.com project (Operational Program of the Knowledge Society, 491/4.2/C/REG)
- 2007 Curator of the scientific exhibition *Butterflies Through Time*
Coordinator of the educational project *Insects in Order* (National Agency for Cultural and Technological Science, CV/PVI/456)
Coordinator of the educational project *Raising Caterpillars in School* (National Agency for Cultural and Technological Science, CV/PVI/462)
- 2006/8 Coordinator and manager of the butterfly greenhouse in the Botanic Garden of the MUHNAC-University of Lisbon
- 2005/6 Coordinator of the scientific exhibition project *Butterflies through Time* (National Agency for Cultural and Technological Science, POCTI/DIV/2005/00048)
Coordinator of the educational project *B Day: Observation of Butterflies in Schools* (National Agency for Cultural and Technological Science, CV54-2004)
Researcher responsible for butterfly monitoring in the project *Vegetation management for the diminution of fire risk and biodiversity valorisation and conservation in cork landscapes at Caldeirão mountain range* (Agro, Medida 9 – Acção 8.1)

Other Activities:

- 2019 Organizing committee of the workshop *ABLE: Avaliar as Borboletas na Europa* (Almada, 4 May).
- 2013 Participation by invitation in the international workshop promoted by IUCN: *Red List Workshop on the Mediterranean Butterflies* (Málaga, Spain, 25-28 February)
- 2007 Participation by invitation in the international workshop promoted by Butterfly Conservation Europe: *Butterfly Monitoring – European Butterfly Indicator* (Wageningen, Netherlands, 1-2 February)
- 2004/ Founder and President of the Environmental Non-Governmental Association *Tagis – Portuguese Butterfly Conservation*
- 2003/4 Participation in the development of the *Environmental Management Plan of the CostaTerra & Pinheirinho* (AFLOPS, Setúbal)
- 2002 Participation in the project of the UAM *Iberia and Balears Butterfly Atlas*
- 2001 Participation in the project of the Dutch Butterfly Conservation *Prime Butterfly Areas – Butterflies of Europe*
- 1999 Participation in the project of the Dutch Butterfly Conservation *Red Data Book – Butterflies of Europe*

Supervising experience:

- 2008 Frank Pennekamp final degree research work *Microhabitat models for Euphydryas desfontainii populations in the Southwest of Portugal* (University of Trier)
- 2005/6 Adriana Galveias final degree research work in Forest Engineer *Moth diversity in the Serra da Arrábida* (Escola Superior Agrária de Castelo Branco)
- Sílvia Ribeiro final degree in Forest Engineer *Moth diversity of Quinta de Belgais* (Escola Superior Agrária de Castelo Branco)
- 2004 Maria João Verdasca and Ana Sofia Leitão professional trainee work *Conservation of Lepidoptera collections of the Natural History Museum* (MUHNAC-University of Lisbon)

Teaching experience:

- 2019 Co-responsible for the discipline “Cultura Científica e Sociedade II” in the Master programme of “Cultura Científica e Divulgação das Ciências”
- 2019 Worskop “Identification of Butterflies and Dragonflies” (Vimioso, Biomontana, 10-12 May)

- 2017/18 cE3c Advanced Courses “Production of Production of Science Communication Activities” (Lisboa, FCUL)
- 2017 Workshop “Identification of 100 species of insects from the Parque Ecológico Urbano de Viana do Castelo Biodiversity Station: butterflies, dragonflies and grasshoppers” (Viana do Castelo, CMIA, 30 September - 1 October; 7, 8, 14 and 15 October)
- 2017 Workshop “Insect’s Diversity” (Viana do Castelo, CMIA, 7 and 21 de Janeiro 2017)
- 2016 Workshop “Mértola’s Biodiversity” (Mértola, ALSUD school, 24-25 October; 13-14 December)
- 2016 Workshop “Butterfly Identification” (Lousã, C.O.T.F., 21-23 March)
- 2015 Workshop “Insects Sampling Technics and Identification of Rhopalocera and Odonata” (Lousã, C.O.T.F., 16-17 May)
- 2014 Workshop “Insects Biodiversity and Conservation” (Seia, CISE, 21-23 October)
- 2013 Workshop “Insects identification of the Fontelas Biodiversity Station” (Loures, 30 May; 6, 11,18 June)
- 2012 Workshop “Insects identification of the Santa Combinha Biodiversity Station” (Macedo de Cavaleiros, 28- 30 May)
- 2012 Workshop “Insects identification of the Ribeira de Alportel Biodiversity Station” (São Brás de Alportel, 23-25 March)

Languages:

Portuguese native speaker

English and Spanish (fluent reading, writing and conversation)

French (basic knowledge)

Books:
