

cE3c Advanced Courses 2022/2023

Production of Science Communication Activities

Taught by: Cristina Luís & Patricia Garcia Pereira; Invited Lecturer: Cristina Palma Conceição | **January 23-27, 2023 @ FCUL**

Note: This course is online

Objectives

The main goal of this course is to introduce participants to the details of communicating science to non-specialized audiences, including, but not exclusive to, public and private stakeholders, students and teachers, and media professionals. The course will particularly address the design, organization, implementation and impact assessment of public engagement activities such as exhibitions, science festivals or games. At the end of the course, students should be able to develop and produce small-budget events or products to communicate scientific results and ideas.

Deadline for applications: October 28, 2022

The course is free for a maximum of 8 1st year PhD students in Doctoral programmes at FCUL (e.g. Biology), Biodiversity, Genetics and Evolution (BIODIV UL, UP), Biology and Ecology of Global Changes (BEAG UL, UA) and Sustainability Science. For information of fees for other participants see the programme details.
